GREEN RIDER PROGRAM

The Green Rider Program was developed to provide beginning riders the opportunity to become acquainted with basic reined cow horse skills in a competitive, yet non-threatening environment. There are no restrictions placed upon horse ownership, breed, age or training level. Once the program is completed riders should have developed the skills necessary to be a competent NRCHA exhibitor.

Points toward graduation from the program are accrued by subtracting 120 from the total score (dry and cow work) of each class in which the rider shows. Once 100 points are accumulated, the rider will receive a certificate of completion and move up to the Green 2. A Green 2 rider may show a novice non pro or non pro class. Once a rider has accumulated 200 points (green and sanctioned classes), they will graduate from the Green program and receive a Green program trophy buckle. A Non pro may continue to show in the Green 2 class for the remainder of the calendar year in which they earn their 200 points.

The Hoosier Daddy Reined Cow Horse Association is proud to announce their affiliation with the Professional's Choice Grass Roots Awards Sponsorship Program (GRASP).

The Professional's Choice GRASP program is a rewards program that gives monetary incentive for purchases of Professional's Choice products. Each time a member purchases a Professional's Choice product, a reward based on the purchase price is given. This reward can be awarded in two separate ways: the value can be split between the member and their association (cash for the member, reward credit for the association) – OR – the member can opt to donate their entire cash reward back to the association. The association redeems its reward credits on products from the Awards catalog for items to be used as prizes or year-end awards.

To receive a reward, the member must send in product receipts, original UPC barcodes from eligible Professional's Choice products along with a Rewards Request form. Forms are available on the PC website at www.profchoice.com/grasp or through the HDRCHA.

If you have any questions, please contact Jennifer Finch at 270-792-7509.

ABOUT THE HDRCHA

Based out of Fredericksburg, Indiana, the Hoosier Daddy Reined Cow Horse Association was founded in July 2004 by Dave Phillips and Karen Nicholson. The first show was held at the Clark County Fairgrounds in September 2004 with 37 participants. In December 2004, the association moved to its current home at Blair Arena in Madison, Indiana. A new stall barn was completed in 2005 for a total of 60 stalls available along with camper hook-up sites. By October 2005, 51 participants competed in events.

Dave and Karen's main goal for the show is for every participant to have fun. After the show on Saturday, you can hang around for some of the best BBQ ribs you have ever tasted!

Please join us for a great time and some memorable experiences. Don't forget those ribs!

Membership in the HDRCHA is \$35 for single and \$50 for a family and is good for the calendar year.
